## Private Pension Administrator Malaysia (PPA)

The Private Pension Administrator (PPA) is a body approved under section 139C of the Capital Markets and Services Act 2007 to perform the function of record keeping, administration and customer service for members and contributors in relation to contributions made in respect of a private retirement scheme. All PRS applicants are required to open an account with the PPA and upon successful creation of the respective account, the PRS applicants are subsequently referred to as PPA members.

## Important Notes:

- The Income Tax (Automatic Exchange of Financial Account Information) Rules 2016, Foreign Account Tax Compliance Act (FATCA) and Common Reporting Standard (CRS) require APAM to collect and report certain information about an Account Holder's tax residence for the purpose of automatic exchange of financial account information. This is a Self-Certification to be completed by you to APAM for the said purpose.
- In general, tax residence is the country in which you live. Special circumstances (such as studying abroad, working overseas, or extended travel) may cause you to be resident elsewhere or resident in more than one country/jurisdiction at the same time (dual residency). The country/countries in which you pay income tax are likely to be your country/countries of tax residence. For more information on tax residence, please consult your tax adviser or the information at https://www.oecd.org/tax/automatic-exchange/crs-implementation-and-assistance/tax-residency/
- If your tax residence (or the Account Holder, if you are completing the form on their behalf) is located outside Malaysia, the information collected herein and other financial information with respect to your financial accounts may be transmitted by APAM to the government authorities or regulatory bodies for transfer to the tax authority of another country(ies)/jurisdiction(s).
- You can find summaries of defined terms such as an Account Holder, and other terms, in the Appendix (Page 10 and 11)
- This form will remain valid unless there is a Change in Circumstances relating to information, such as the Account Holder's tax residency status or other mandatory field information, that makes this form incorrect or incomplete. In that case, you are required to immediately inform APAM of any changes promptly and provide an updated Self-Certification Form.
- You are required to complete this Self-Certification in full (unless stated otherwise).
- As a Financial Institution, we are not allowed to give tax advice. If you have any questions on this Self-Certification Form or your tax residency status, please refer to your tax adviser or the Frequently Asked Questions (FAQs) for Common Reporting Standard available in AIA portal at https://www.aia.com.my.
- You can also find out more, including a list of jurisdictions that have signed agreement to automatically exchange information, along with details about the information being requested on the OECD automatic exchange of information portal at https://www.oecd.org/tax/transparency/what-we-do/. Separately, you can also find more information on the Inland Revenue Board of Malaysia's portal at http://www.hasil.gov.my/CRS.

## APPENDIX – SUMMARY DESCRIPTIONS OF SELECTED DEFINED TERMS

Note: The following are selected summaries of defined terms provided to assist you with the completion of this form. Further details can be found within the OECD Common Reporting Standard for Automatic Exchange of Financial Account information (the "CRS"), the associated Commentary to the CRS, Malaysia-US Intergovernmental Agreement on Foreign Account Tax Compliance Act (FATCA) and other domestic auidance.

## **List of Definitions:**

#### "Account Holder"

The term "Account Holder" means the person listed or identified as the holder of a Financial Account. A person, other than a Financial Institution, holding a Financial Account for the benefit of another person as an agent, a custodian, a nominee, a signatory, an investment advisor, an intermediary, or as a legal guardian, is not treated as the Account Holder. In these circumstances that other person is the Account Holder. For example, in the case of a parent/child relationship where the parent is acting as a legal guardian, the child is regarded as the Account Holder. With respect to a jointly held account, each joint holder is treated as an Account Holder.

## "Change in Circumstances"

As per CRS and FATCA requirements, the "Change in Circumstances" means any change in one or more of the information below:

- Change of tax residency details (to/from outside Malaysia; or one country to another)
- Change of residential or mailing address (to/from outside Malaysia; or one country to another)
- Change of contact number (to/from outside Malaysia; or one country to another)
- · Change in standing instructions to transfer funds to/from an account maintained outside Malaysia; or from an overseas account to another
- Change of address of the current effective power of attorney/signatory authority (to/from outside Malaysia; or one country to another)
- Change of nationality to/from U.S. (for FATCA only).

#### "CRS

CRS stands for Common Reporting Standard, which is developed by the Organisation for Economic Co-operation and Development (OECD) to obtain information from Financial Institutions and for automatic exchange of financial account information with other jurisdictions on an annual basis for tax purposes.

#### "FATCA"

FATCA stands for the U.S. provisions commonly known as the Foreign Account Tax Compliance provisions, which were enacted into U.S. law as part of the Hirring Incentives to Restore Employment (HIRE) Act on March 18, 2010. FATCA creates a new information reporting and withholding regime for payments made to certain non-U.S. Financial Institutions and other non-U.S. entities.

### "Financial Account"

A Financial Account is an account maintained by a Financial Institution and includes: Depository Accounts; Custodial Accounts; Equity and debt interest in certain Investment Entities; Cash Value Insurance Contracts; and Annuity Contracts.

## "Participating Jurisdiction"

A "Participating Jurisdiction" means a jurisdiction with which an agreement is in place pursuant to which it will provide the information required on the automatic exchange of financial account information set out in the Common Reporting Standard and that is identified in a published list.

## "Reportable Account"

The term "Reportable Account" means an account held by one or more Reportable Persons or by a Passive NFE with one or more Controlling Persons that is a Reportable Person.

## "Reportable Jurisdiction"

A "Reportable Jurisdiction" is a jurisdiction with which an obligation to provide financial account information is in place and that is identified in a published list.

# "Reportable Jurisdiction Person"

A Reportable Jurisdiction Person means an individual or Entity that is resident in a Reportable Jurisdiction under the tax laws of such jurisdiction, or an estate of a decedent that was a resident of a Reportable Jurisdiction. For this purpose, an Entity such as a partnership, limited liability partnership or similar legal arrangement that has no residence for tax purposes shall be treated as resident in the jurisdiction in which its place of effective management situated.

# "Reportable Person

A Reportable Person is defined as an individual who is tax resident in a Reportable Jurisdiction under the tax laws of that jurisdiction. Dual resident individuals may rely on the tiebreaker rules contained in tax conventions (if applicable) to solve cases of double residence for purposes of determining their residence for tax purposes.

# "Resident for tax purposes"

Generally, an individual will only have one jurisdiction of residence. However, an individual may be resident for tax purposes in two or more jurisdictions. The domestic laws of the various jurisdictions lay down the conditions under which an individual is to be treated as fiscally "resident". They cover various forms of attachment to a jurisdiction which, in the domestic taxation laws, form the basis of a comprehensive taxation (full liability to tax). They also cover cases where an individual is deemed, according to the taxation laws of a jurisdiction, to be resident of that jurisdiction (e.g. diplomats or other persons in government service). To solve cases of double residence, tax conventions contain special rules which give the attachment to one jurisdiction a preference over the attachment of the other jurisdiction for purposes of those conventions. Generally, an individual will be resident for tax purposes in a jurisdiction if, under the laws of that jurisdiction (including tax conventions), he pays or should be paying tax therein by reason of his domicile, residence or any other criterion of a similar nature, and not only from sources in that jurisdiction. Dual resident individuals may rely on the tiebreaker rules contained in tax conventions (if applicable) to solve cases of double residence for determining their residence for tax purposes.

The following examples illustrate how an individual's residence for tax purposes may be determined:

Example 1: An individual has his permanent home in Jurisdiction A and is taxed as being a resident of Jurisdiction A. He has had a stay of more than six months in Jurisdiction B and according to the legislation of the latter Jurisdiction he is, in consequence of the length of the stay, taxed as being a resident of that Jurisdiction. Thus, he is resident of both Jurisdictions.

Example 2: Same facts as Example 1, except that the individual only had a stay of eight weeks in Jurisdiction B and according to the legislation of that Jurisdiction he is not, by reason of the length of the stay, taxed as being a resident of Jurisdiction B. Thus, he is only resident of Jurisdiction A.

For additional information on tax residence, please talk to your tax adviser or refer to the OECD Automatic Exchange Portal at this link: <a href="https://www.oecd.org/tax/automatic-exchange/crs-implementation-and-assistance/tax-residency/">https://www.oecd.org/tax/automatic-exchange/crs-implementation-and-assistance/tax-residency/</a>

# "TIN" (including "Functional equivalent")

The term "TIN" means Taxpayer Identification Number or a functional equivalent in the absence of a TIN. A TIN is a unique combination of letters or numbers assigned by a jurisdiction to an individual or an Entity and used to identify the individual or Entity for the purposes of administering the tax laws of such jurisdiction. Further details of acceptable TINs can be found at this link: https://www.oecd.org/tax/automatic-exchange/crs-implementation-and-assistance/tax-identification-numbers/

Some jurisdictions do not issue a TIN. However, these jurisdictions often utilise some other high integrity number with an equivalent level of identification (a "functional equivalent"). Examples of that type of number include, for individuals, a social security/insurance number, citizen/personal identification/service code/number, and resident registration number.

# "U.S. Person"

A "U.S. Person" means a U.S. citizen or resident individual, a partnership or corporation organized in the U.S. or under the laws of the U.S. or any State thereof, a trust if (i) a court within the U.S. would have authority under applicable law to render orders or judgements concerning substantially all issues regarding administration of the trust, and (ii) one or more U.S. Persons have the authority to control all substantial decisions of the trust, or an estate of a decedent that is a citizen or resident of the U.S.
